Judith Knox (Jubredo GSD)

The German shepherd has been a very big part of my life for over fifty years.

Successfully showing and breeding under the prefix Jubredo.

Perhaps genetics played a part, as my father Alex Downey was a well known professional handler way back in the mid seventies.

I have awarded green stars in Ireland for many years, past the GSD Breed Council exam enabling me to award CCs judging breed open & championship shows in Scotland, SKC, GSD (league) Spectacular, Midland Counties, North Eastern, of later years due to family and business commitments I have had to turn down judging opportunities even New Zealand!!! However this invitation I couldn't refuse.

A great honour and privilege to judge this very special show. A tribute and celebration for the life of Mrs Tina Jerney (Ilonda GSD) . A lady I knew and respected for many many years.

Thanks to ...

Tina Jerney was an ardent supporter of Sheffield GSD Society, always entering several dogs whether she liked the judge or not and oh boy! did she let me know if she didn't like the judge .but no matter what- we could always rely on her entry .

On several occasions she suggested judges and I think they were the only occasions that Tina didn't enter Sheffield show. One Italian judge when asked for his fee requested some turtle doves for his coop in Italy - and this is where Liz Scott came in and supplied the doves, she tells me their descendants are still alive and well.

Grateful thanks to Jodie and Toby Green for all their help which has been offered for before and after the show (I don't think that many exhibitors are aware of how much work goes on before and after to make a show successful, its not just on the day). Like Tina, Jodie and Toby will not be entering the show as they kindly suggested the judge and are sponsoring the show, as well as working on the day. I would just like to finish by thanking Julie - Tina's Kennel manager - for her help and support.

Thank you

Anne Hardy

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
