

DEFINITIONS OF CLASSES

1. In the following Definitions of Classes, First Prize wins in Limited Show Obedience Classes and Open Shows confined to one breed do not count for entry in Open and Championship Show Obedience Classes but do count for eligibility at Limited Obedience Shows or Open Shows confined to one breed.
2. A dog must be entered in the lowest scheduled class for which it is eligible and may also be entered in another class if desired plus one additional class at the society's discretion. Three classes may be entered at this show. Such entries must be made in line with the show's closing date for entries.
3. Societies may schedule classes other than those defined below. The eligibility for "Special" classes must be defined by the Society & included in the schedule. The word "Special" must be included in the title of the class

PRE-BEGINNERS: To compete in Pre-Beginners a handler or dog must not have won two First Prizes in either Pre-Beginners or Beginners nor gained a third place or above in any other obedience class. (Introductory Class excepted) and have not elected to progress on points from Pre-Beginners

BEGINNERS: To compete in Beginners a handler or dog must not have won a total of two or more First Prizes in Beginners Class, or one First Prize in any other Obedience Class (Introductory Class and Pre-Beginners excepted) and have not elected to progress on points from Beginners

NOVICE: For dogs which have not won two First Prizes in Obedience Classes (Introductory Class, Pre-Beginners and Beginners excepted) and where the handler has not elected to progress on points from Novice.

CLASS A: For dogs which have not won three First Prizes in Class A, Class B and Open Class C in total and where the handler has not elected to progress on points from Class A.

CLASS B: For dogs which have not won three First Prizes in Class B and Open Class C in total and where the handler has not elected to progress on points from Class B

OPEN CLASS C: At Open and Premier Shows, and in the Open C Classes held at Championship shows, open to all dogs.

Progression on wins. Progression from each class will be determined by the eligibility for the class as referenced in Regulations G(A). To count for progression wins must be gained in standard classes at Kennel Club licensed Open, Premier or Championship Obedience shows. A first place will count towards progression.

Progression on points. At the handler's discretion a dog may progress up to the next class, up to and including into Open Class C by gaining points at each level, using the Obedience Excellent scale of points scheme as follows:

- Ten points for first prize
- Four points for second prize
- Two points for third prize
- One point for fourth prize

If this method of progression is selected, the handler must ensure the show secretary/chief steward signs the dog's Obedience Record Book at the first show entered in the higher class. There is no time limit on this progression, however, once a dog or handler has progressed, they cannot return to the class that they had progressed from. All wins and places to fourth since 1 January 2019 can be included when calculating points. Points are specific to a particular class and cannot be used against a lower or higher class.

Points required for progression on points are as follows:

1. 10 points required for progression from Introductory.
2. 20 points required for progression from Pre-Beginners.
3. 20 points required for progression from Beginners.
4. 20 points required for progression from Novice.
5. 30 points required for progression from Class A.
6. 30 points required for progression from Class B.
